6 June 2018

Dear Parents

We will be holding a Children's Fundraising Day on Friday 22nd June, to raise money to support our chosen local charity, in which children have the opportunity to run their own fundraising stall.

Your child has expressed an interest in running a stall for our Fundraising Day. They would need to work with a partner or small group and be able to run the stall, which could be:

- A small table game
- Selling home baked goods
- A craft activity
- Selling bric-a-brac

The children will be responsible for running their stalls (between break time and lunchtime), but would need your support with organising and providing resources for their stall. This would obviously need to be at minimal cost to you.

If after a conversation with your child, they wish to run a stall, please return the slip below to the office and they will need to attend a meeting with myself on Tuesday 12th June at lunchtime.

If your child does not wish to run a stall, there will be lots of opportunities to take part in the day and have fun, with further details to follow.

Yours sincerely

E Malcolm
