Learning Can Be Messy

Playing outside is so
 important. I run and
 jump and get lots of
 fresh air. Sometimes
 I might get grass or
 mud on my clothes.

Using a knife and fork
 at lunchtime is tricky!
 Sometimes I get food
 on my clothes!

I sometimes get pen and paint
 on my clothes! This is because I
 am developing creative skills
 and exploring lots of
 different ways of
 making amazing art!

Our mud kitchen is
 so much fun! I use all
 my senses, which is
 so important for my
 development. It also helps
 me use my imagination and
 practise playing with my
 friends nicely!

Exploring in the water tray is giving
 me lots of maths and scientific skills!
 I love pouring, filling and
 emptying! I usually wear
 an apron but sometimes my
 clothes get wet!

Exploring
 with playdough and
 other messy play resources
 like foam or food, helps me to
 develop fine motor control and
 build up muscles and
 coordination in my
 hands and fingers.
 I will need
 these when I
 learn to write.

When I get messy, I have been
 showing curiosity, determination,
 persistence, imagination and
 confidence!
