

Newsletter 25 April 2022

Dear Parents and Carers,

Welcome back to all those who have been enjoying the Easter break.

Over the Easter holidays the children here have spent a lot of time outside, enjoying the weather. They had an Easter egg hunt, did plenty of painting, and played at being pirates, dinosaurs and mummies and daddies. We read a heap of books and built a lot of towers.

We are getting right back into the new term with a new project (more of that below) and we look forward to getting know all the new children who will be joining us. I am also looking forward to getting to know you, the parents and families, since I am new too.

Best wishes

Amanda

And Clare, Lisa, Nicola, Sarah, Mary, and Gail

Sustainability

In order to try to contribute to the solution, rather than the problem, we would like to reduce the quantity of plastics and non-sustainable resources we use in the nursery. We are still at discussion stage just now as we try to navigate through this and work out what we can and can't do without. We will also be promoting recycling in the room.

Project

This term our project will be Africa. We shall be finding out all about the countries, flags and terrains, the food, the animals, the climate, the cities, and the desert. We are very fortunate in that Miss Lisa has lived in Kenya and so hopefully can put us right about a few things. If your child has a book or object about Africa they'd like to bring in and show, that would be most welcome.

What did we enjoy this week in the Hedgehog and Badger room?

We have been making the most of some lovely spring weather this week. We took our learning outside and explored the mirror shapes with the pegs, strengthening our squeeze fingers and using the tools in the sand.

Here are a few of this week's favourite 'Bluebell moments' from the Dormice Room:
