

16 September 2022

Welcome one and all! What have we been doing this week? Here are some **Dormice** moments:

'Squirrel Watch' from inside the Garden Room.

Dance to the rhythm of the sticks as they 'tap, tap, tap'.

Sand in your shoes, in your pockets, in your hair - sand gets everywhere.

Oh for a life splashing about on the ocean waves.

Gentle reminders

Please label absolutely **everything**, to help our wonderful team, to help your wonderful children.

Please choose shoes with **Velcro** fasteners so that all the children can quickly learn to put on and take off their own shoes independently.

Please leave precious toys at home so that there is no risk of them becoming misplaced or accidentally damaged or forgotten and left behind at home-time.

Thank you kindly for your support.
Nursery and Reception Open Evening:
29 September from 6.30pm to 8.00pm

Characteristics of Effective Learning

Playing and Exploring: 'I can recognise that my actions have an effect on the world, so I like to repeat them.' Mikaeel kindly offers a dinosaur to one of his new classmates, as he makes friends on his first day - this is a useful strategy to have embraced.

It's jolly nice to have your artwork appreciated by one of your peers.

Fun and giggles with a friend.

Exploring 2D triangles and squares on our Maths table.
