

Whole School Half Term Junior da Vinci Challenge

Draw a design, make a collage or create a 3D model of the most exciting park you can imagine. Make it as bright and colourful as you can. You can even include natural materials like leaves or sticks. Include all your favourite things from nature.

What must this park have?

1. What makes a perfect playground/park?
2. What can people see and do in this park?
3. How will people take care of and protect this park? How can it be kept litter free?
4. Why will people want to visit this park?
5. What living things are in the park?
6. Include paths/trails between areas of the park.
7. Think about animal habitats
8. What materials will be used for the different areas? Will it have a playground?
9. The park must have amenities like toilets, café, etc.

Remember to...

Name your park

Show locations for rubbish and recycling bins

Include a list of park rules

Write a description of the sights or activities in your park.

You might want to give it a key.

Show off your designing skills!

Please bring them in by Friday 3rd March so that we can have them on display ready for Open Day on Sunday 5th March.
