Dear Parents,

Every year, Jaguar Land Rover run a 'Primary Schools Challenge'. Crackley Hall are excited to once again be putting a team forward to take part in one of the Regional Finals in May next year.

Our Junior 4 team this year is made up of five 8 and 9 year olds, and we are called 'Firecrackers'.

Last year, our school was lucky enough to win the Regional Final and go through to the National Finals. Our car was the third fastest in the whole competition and although we did not win the National Final, we are so proud of how well our car performed. This year we would very much like to aim high and win again.

The link for more information about the JLR Primary Schools Challenge is:

<http://www.primaryschoolchallenge.com/home/>. If you have time, please take a look. You will be able to see the high standard of the contenders and take a look at the cars made. It's such an exciting time and we think it's very important to promote interest in education and careers for the future generation with STEM (Science/Technology/Engineering/Maths). We hope that we can become engineers or scientists in the future!

We are hoping that local companies might sponsor us in different ways. We need donations to support the purchase of card and printing resources as well as our merchandising and racing suits.

This experience will help us to find out about all aspects of producing a successful racing car from its engineering through to the promotion and running of a business. We really hope that you might be able to support us in some way, to help us to develop the best car we can and to be a real part of our challenge team.

How we might be able to help you:

-  We will promote your company name on our merchandise – clothing, balloons, hats, t-shirts, banners, bunting...
-  Your company will be mentioned in all of our media coverage
-  Tickets for the VIP race day, where you can mingle with other company sponsors

If you work with or for a company that you think might be interested in supporting us, we would like to invite you and a guest on Monday 10 December to watch a presentation by the team to see if you would like to help us through sponsorship or support.

If you would like to find out more about sponsoring us or to attend this event, please would you email our teacher Mrs Spillane to let her know that you would like to come to our presentation or to receive further information: margaretspillane@crackleyhall.co.uk

Thank you so much and we hope to see you on December 10th!

Amelia Hunt, Jasper Nicholls, Woody Osborn, Henry Verity and Thomas Zanyi (aged 8 and 9)

Mrs Hardwick & Mrs Spillane

Senior School (11-18 years) at Princethorpe College

Junior School (4-11 years) at Crescent School

Junior School and Little Crackers Nursery (2-11 years) at Crackley Hall
