

June 2018

Dear Parents

**Junior 2 (Current J1) MAD Museum and River Cruise, 18 October 2018 – Trip no. 1391**

I am excited to invite Junior 2 (current Junior 1) to participate in an adventurous trip to Stratford to the MAD Museum on Thursday 18 October 2018. The trip will take place during the school day. In the morning we will visit the museum which will provide an opportunity to see and interact with mechanical art in action; think of a combination between Wallace and Gromit, Chitty Chitty Bang Bang and inventions from the future! The children will be encouraged to press buttons and interact with the wonderfully weird contraptions on display and take part in a fully hands-on, cross-curricular (Science, DT & Art) experience.

For lunch will take a picnic and eat it on a boat while cruising down the river, taking in the sights of Stratford. Children will need to bring a snack and a packed lunch with them. If your child normally has a school dinner on this day, a packed lunch will be provided for them; we will check sandwich choices closer to the date of the visit. Weather permitting, we will finish the afternoon off with a trip to the park and a chance to let off steam and have yet more fun.

The cost of this trip will be £11.00 per child which includes transport, entrance to the museum and the boat trip. This amount will be added to your next school invoice.
