We have been using our number skills to decorate a crown for the King this week.

We followed the 'jewels rules' to find out how many coloured diamonds we could add to our crowns. I am sure that King Charles would love our designs!

August gently plants a young radish plug into our vegetable garden. We hope Peter rabbit doesn't nibble them.

Tobie carefully dots bluebell flowers onto the stem which he has painted for our group picture. He then adds tissue paper leaves. The Hedgehogs each had a bluebell to look at closely, to feel and to smell, before recording their observations for our display.

We have been learning a special song in music fit for a king.

Dormice have been busy sticking jewels on their crowns ready for the coronation.

NOTE TO PARENTS - We are hoping that sunnier days are coming, could you please provide a named sunhat in your child's bag. We also ask that a long lasting suncream is applied before your child comes into nursery- we will reapply later in the day if needed.

**Wishing you all a wonderful bank holiday weekend,
Miss Emma**
