Tobie had a 'Wow' moment: he chose what he would like to play with, rather than waiting for a grownup to direct him. Well done, Tobie.

Arjan uses a fork to press print tulips flowers for his Mother's Day card. It requires a steady hand so as not to smudge the petals.

Hedgehogs and Badgers - Please remember forest school kits for Wednesday.

This week the Dormice children planted their own 'magic beanstalk' – I wonder whose will be the first to grow up to the sky?

Cooking up a storm!

This week we made fabulous fruity flapjacks. The children took their time and really focused on their cooking skills: cutting, slicing, mashing, chopping, mixing and pouring. We enjoyed watching the butter melt and the sugar dissolve, before combining the ingredients into a lovely sticky mixture. The nursery smelt lovely once we had finished and I hope everyone enjoyed tasting them later at home.

The children used different outdoor equipment to make an obstacle course for everyone to enjoy.
