

10th June 2022

What have we been doing this week? Here are some of our favourite moments:

Can you drive the bike and a trailer up the ramp and onto the platform that you've built with a friend?

Under the slide makes a great hiding place for four friends.

Play dough is everyone's favourite.

How to stay pristine whilst exploring the mud!

Focus upon the Characteristics of Effective Learning

Playing and Exploring concerns investigation:

Children recognise that their actions have an effect on the world and so they like to repeat them.

In this example, Tommy tried pushing Jack in the car and the harder he pushed, the faster it rolled, and the louder Jack squealed with glee., so he continued with the game and a new friendship was formed.

Congratulations!

Well done to our Hedgehogs who were fantastic for the film crew who came in on Wednesday.

Well done to all our Little Crackers for exiting the building so sensibly when we had our Fire Alarm practice on Monday.

Wishing you all a restful weekend from the Nursery Team.
