

13th September 2019

 The Warwickshire Wildlife Trust are coming to visit! 

To celebrate Little Crackers Nursery having a new natural look and feel, please join us on Wednesday 18 September for a special 'Stay 'n' Play' session in partnership with our friends from the Warwickshire Wildlife Trust.

There will be wildlife themed activities to enjoy in our bright nursery rooms, including our fantastic new Garden Room, and Stay 'n' Players will be able to visit our very own wood for some outdoor inspired fun.

Fun compulsory, wellies optional!!

Light refreshments available. Parking in lower playground.

The party continues in the afternoon for our own Little Crackers, please come along, you are all welcome!

For more information call 01926 514410.

What is Forest School?

'Learning experiences outside the classroom are often the most memorable learning experiences helping children to make sense of the world around them, and the person within.'

Forest School offers an inspirational environment that provides all learners with opportunities to develop confidence and self-esteem through hands on learning experiences in a natural setting. It is a specialised learning approach that compliments the wider context of outdoor education. Forest School aims to promote the holistic development of all those involved, fostering resilient, confident, independent and creative learners. This fully supports 'The Attenborough Learner' skills that we aim to develop in all of our children.

- Please check your child's tray everyday for important bits and pieces - no one wants to miss a birthday party invitation!

 Home challenge: 

Phonics (Phase 1) focus:

To develop awareness and recollection of sounds in the environment

Talk about the sounds you hear when you're out and about... at the shops, out for a walk, at the park, in the kitchen etc...

We need **wellies** for outdoor adventures everyday!

Please send in a named pair that can be left here - thank you x
