Joke of the week...

Spotlight on playdough!!!

What? A basic mix of flour, salt, oil and water
<https://www.bbcgoodfood.com/howto/guide/playdough-recipe>

When? Most days, in different ways

How? The children are always involved in making their own

Why? The benefits are HUGE!

It develops fine motor skills, it's calming, it encourages creativity, it enhances hand-eye coordination, it improves social skills, it can support literacy and numeracy, it promotes playtime... and WE LOVE IT!!

Try adding: mint sauce, fruit tea, vanilla, coffee, lavender, herbs, - the possibilities are endless!!
