

21st September 2018

Can you believe it?

Guess what we found growing in our garden... THIS WEEK!

Strawberries! in September!!!!

Keep your eyes peeled for any other crazy autumn happenings and let us know...

Joke of the week:

Why was the little strawberry crying?

His mom was in a jam.

Nursery notices:

We have started our Nursery Wow Wall! Please have a look, on your right as you come into nursery... if anything wonderful happens at home we would love to hear all about it, write it down, give us a picture and we will put it up for everyone to see x

This week in maths:

In the big room we have been looking at two sets of objects and talking about which set has **more** and which set has **less**.

To help make it more fun we played with frogs, jumping them onto lily pads, comparing how many were on each leaf, sorting big, medium and small ones and counting how many... then we sang...

"5 Little Speckled Frogs"

Home challenge:

Phonics (Phase 1) focus: Sound discrimination
To identify animals and imitate the sounds they make...

Have fun singing:

"Old MacDonald Had a Farm!"

How many animals you can sing about?
You could also try changing the song to suit... don't forget, Old MacDonald also had a zoo, a house with pets, a garden and... the sea!!!

Little Crackers Nursery · Crackley Hall · St Joseph's Park · Kenilworth · CV8 2FT
