

November 2017

Dear Parents,

As part of our 'One World Week' pupils from all year groups will have an opportunity to learn about a different religion. Included in this study is the opportunity to visit a place of worship to help them understand how people with different faiths and from different cultures live out their faith. Through this understanding, we hope to develop the pupils' knowledge and respect for people who live in local and wider community.

Your child will be learning about Buddhism and will visit the Buddhist Peace Pagoda in Birmingham on the morning of Tuesday 13 February. We will need to leave school promptly at 8.35am so please ensure that your child arrives at school for registration at 8.25am. Pupils will return to school in time for lunch.

The cost of the transport for the trip is £5.51.

Yours sincerely
