Dear Parents

Sports Selection Website

I hope that you all had an enjoyable and restful summer holiday with your families. Excitingly, we have just launched our new Sports Website, which you can view via the website address below. Our aim is that this website will provide you with instant information that you can look at 'on the go' and plan for the term ahead.

www.crackleyhallsport.co.uk

On this website you will be able to find the following information:

- A calendar of sporting fixtures for the term ahead for all sports and age groups – please note that you can download fixtures to your electronic diary if you wish
- Team selections (👤) for your son or daughter – we will endeavour to always select teams at least 48 hours before the fixture
- Details of timings, location and relevant information for specific fixtures
- Information about opposition teams and their recent results

We hope that in the future this will be the only route of communication for team selections but until it is fully embedded, the process below is what you can expect for 'Sports Team Selection' this term:

- You will receive an email from the sports coach in charge of your son/daughter's team explaining that they have been selected for a fixture and the date of it
- You will then need to go onto **www.crackleyhallsport.co.uk** to view the timings and key information for the fixture (please add this address to your favourites or add to your device's home screen)
- The password to view a team sheet is: **Crackley17** (please keep this private for the Crackley Hall School Community)
- An email contact for the team coach will be available on the team selection should you have any questions
- Team selections will still go up on the school sport notice board for pupils to view.

Team selection using this system will begin from **Monday 18 September**. Please don't hesitate to ask me any questions or send any queries to my email below and I will endeavour to get back to you as soon as possible.

Kind regards

James Ferris
Assistant Head
