

Find out about the Romans and create your own information Roman PowerPoint Please send it to your new teacher so that it may be shared with the class.
Mrs Roberts class:
juliaroberts@crackleyhall.co.uk
Mr Ashley's class are to send it to him in September, when his school email will be activated.

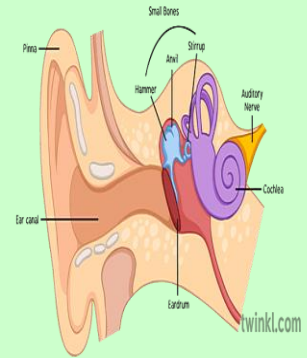

Please practise the 3, 4, 6, 7 and 8 times tables and their associated division facts (all out of order too)! Next, push yourself to learn the 7's x table and the linked division. Year 4 are now expected to know **all** of the times tables up to 12 x by the **end** of Year 4, and will be taking a speed test on these in May 2024. So please learn them steadily and regularly over the year - thanks! Play this multiplication game regularly:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Find out about the ear and how we hear. Make a list of interesting facts to share about hearing and sound.

Please write all about you and your special family on the 'All about me' sheet. This will be placed on display in the classroom, so please be as neat as possible and try not to cross out. Use a variety of adjectives to describe. Please return in the envelope you brought the template home in.

JUNIOR 4
Summer Holiday homework
Home Learning-Please complete as many of these as possible.
It is essential that you complete the 'All about me' writing task for our classroom display. Four activities to be completed as a minimum-thank you.

Crackley Hall School

Take part in a Summer Reading Challenge. Warwickshire Library Service run an excellent one, or you can complete the Quick Read Challenges.

Please continue to read aloud every day and to talk about your reading with a grown-up. The attached activities will help you be Junior 4 ready. Please come to school well equipped to learn, so please bring in blue handwriting pens (Berol are good), pencils, a ruler, rubber, sharpener, highlighters and felt tips, all in a named pencil case. Thanks!

We are looking forward to seeing you all in September.
Happy Holidays!
