## Trust in Jesus

Jesus tells the disciples not to be worried and to believe in Him. He is asking them to trust Him.

Trusting someone means believing that they are always there for us, that they are always willing to help us. When it comes to trusting someone, what they do is often more important than what they say.

God of life, we thank you for being there for us always. Help us to love one another, so that all people may have someone to trust. Amen.
