Jesus cures the Sick

Jesus loves *all* people with a love so great that He died for us. Throughout His life He showed this love by curing the sick and making time to share with others. Through His actions, Jesus helps us to understand that many people need our help and we should always try and be ready to give our time to them. One way we can help is by praying and asking Jesus to make them better.

Dear Jesus, you are always ready to make time for others. Thank you for your love and help us to remember to make time to spend alone with you. Amen.
