

taking care

helping children learn to
keep themselves safer

All classes in school will be working on the
TAKING CARE CURRICULUM
again this term.

Children will be learning new skills for helping
themselves to keep safe and building on work they
have already done.

Please do ask your children about what they are
doing and have discussions with them about all
aspects of safety—your interest and encouragement
will make a big difference to their learning.
Please feel free to discuss any aspects of this work
with your child's teacher.
