The Annunciation

The Annunciation celebrated on 25 March, is when the Angel Gabriel told Mary she would be the mother of Jesus, God's Son - exactly nine months before Christmas. Even though she was surprised and a little scared, Mary bravely said "yes" to God's plan, teaching us that with God, nothing is impossible.

Prayer: Dear God, help us to be brave like Mary and trust in Your plan, knowing that with You, all things are possible. Amen.
