

18th September 2020

If your child has a temperature, or feels unwell, they **must stay at home**. We recognise the importance of building resilience, and the need for 'life to go on', however at this time it is more important that bugs and germs are kept away from nursery. Thank you.
If you have **calpol**... stay away for **24hrs** please
If you have **antibiotics**... stay away for **48hrs** please

Forest School Request...
If you are having a clear out Mrs Clark would really appreciate:

- Wooden spoons
- Bowls and saucepans
- Plastic jugs

What do we do in Nursery?

☺☺☺☺

Monday: Rugby Tots pm
(please contact the office for details)

Thursday: Forest School am (Badgers)

Friday: Music am PE pm

Next week:
Phonics: rhythm and rhyme
Maths: pattern

Challenge time!!!
Number focus: Cardinality and Counting: understanding that the cardinal value of a number refers to the quantity, or 'howmanyness' of things it represents

<https://www.bbc.co.uk/iplayer/episode/b08bzzns/numberblocks-series-1-one>

Look at yourself... how many number 1's can you find?
I have 1 nose, 1 head and 1 sister! Have a chat at home, do you have a different set of number 1's?

It's that time of year again - and with the weather promising to be nice, if you are out and about this weekend, see if you can make a **conker/acorn** collection! I will be looking out for the biggest and best shiny **conkers and acorns** to use in our maths zone: we can count them, sort them by size, make patterns with them, weigh them, share them with friends and generally use our imaginations to play with them!
