

20th November 2020

Goodness me - the weather seems to be changing again!
We love getting outside as much as possible though, so please take that into account when coming into nursery - easy layers are great as it's warm inside, spare socks for wet days are useful too!
Hats and gloves are really important too.
Thank you x

A quick question...
Our subscription to 2Simple is due for renewal soon, and before we continue to collect observations and share your child's learning journey with you in this way, we would really appreciate your opinions... do you know of any other systems used by other nurseries? What do you like about it? Is there anything you would prefer?
Please let us know your thoughts,
Thank you x
