Joke of the week!

What happened to the egg
when he laughed at the
Easter joke?

He Cracked up!!!

When we come back...

Pre-school children will begin gently preparing for school in September, in phonics we will look at segmenting and blending those simple CVC words (Clapping the sounds really helps: C a t = Cat!)

In maths we will look at who is secure in counting sets of objects,

Our 3yr olds will also be thinking about their phonics skills, but shhhh... we won't tell them!

They will be listening to sounds in the environment, matching and making sounds with their voices and bodies, playing instruments and going on sound walks in our Outdoor Learning Environment...

Here are some ideas for things to do over Easter
