

3rd November 2017

	Spotlight on... Germs!!!!!!	
<p>The weather is getting colder and we are starting to see more bugs, sniffles, coughs and sneezes - so here is a quick gummy guide to help us through!</p> <p>What do we do...</p> <ul style="list-style-type: none"> • We wash and disinfect all toys and equipment each week after they have been used • We encourage children to use tissues, and help them if necessary • We encourage children to wash their hands regularly throughout the day, and especially before mealtimes and after using the toilet - to help reduce the chances of spreading infection • We make sure everyone is warm enough at all times, not too hot inside, and not too chilly outside 		

Joke of the week!!!! 😄

What do you call a duck who likes watching fireworks?
A firequacker.

Can you help?

If you are getting rid of any of the following we would love to take them off your hands for our outdoor learning area

- Old wellies - from size 6 up
- Left over guttering or pipes
- Saucepans, wooden spoons, plastic plates and bowls etc.
 - Plastic crates

New Session times:

Morning: 7.45-12.45 Afternoon: 1.00-6.00

Free entitlement sessions:

Morning: 8.15-11.15 Afternoon: 12.30-3.30

If you have calpol...

stay away from nursery for 24hrs

If you have antibiotics...

stay away from nursery for 48hrs

Stay warm!!!!

Don't forget hats, gloves and warm coats now that the weather is changing - we still go outside!!!!

We will get messy in nursery! Please don't send your child in their best clothes or shoes, easy wash and wear things are ideal.
