Thurs 18th Nov
- PTA Christmas Event:**
Saturday 4th December
- Nursery Nativity:**
Tuesday 7th December
- Term ends (term time children):**
Tuesday 14th December

Maths things to talk about at home...

Comparison: understanding that comparing numbers involves knowing which numbers are worth more or less than each other

Think about the children in your family and friends... focus on the younger ones... Who is the eldest? Who is the youngest? Where do you come in the group?

"I am 3, my baby sister is only 1 but my cousin is 4... my cousin is older than me...!"
