Weekend challenge!!!!

This week we played games that involved the concept of subtraction - taking 1 thing away each time. We found it fun to play games alongside familiar songs and rhymes that are often based around numbers getting smaller e.g.

- 5 Little Speckled Frogs
- 10 Green Bottles
- 5 Little Men in their Flying Saucers etc...

How many songs can you think of this weekend that make you take 1 away each time - can you make a new one up using the same tune?
