

**Re: SOCs – Extra-Curricular Clubs – Lent Term 2018**

Dear Parents,

The 'sign up' for extra-curricular clubs is now fully electronic as we will be using a program called **SOCS co-curricular**. This is an online communication module that will enable both parents and pupils to choose the clubs and sports they wish to take part in and to keep up to date with their timings and locations.

The program can be used on your smartphone or tablet and also your desktop or laptop computer.

Please find below the key information for the use of **SOCS co-curricular** for your child/children to select their clubs. It is advisable to do the initial set up on a laptop or desktop computer:

- Go to the website <http://www.socscms.com> or google: SOCS Login
- Each pupil in school will have their own log on and password. The generic password is Crackley17
- Once 'logged in', you will then be able to select the clubs your son or daughter would like to do. Please note – you will only be able to view clubs that are available to them
- If you have more than one child then you will need to log in separately for each child and complete appropriately
- You will be able to view the date the club starts, what time it begins and finishes and any relevant additional information
- Once you have selected a club please do not remove pupils half way through a term
- Please note – 'Paid Clubs' will still need to be paid for directly with the company or staff running them. E.g. \*Bayleaf Cookery or \*ATMA Karate. Please also sign up for them on SOCs
- Any clubs that your child is 'invited' to will appear in their 'activities' section
- The 'sign up' process will open on Friday 8 December 2017 and close on Friday 12 January 2018

Kind regards,
