This week we have been settling back into nursery life.

Dormice have been making the most of the sunshine, exploring under the trees in the wild garden.

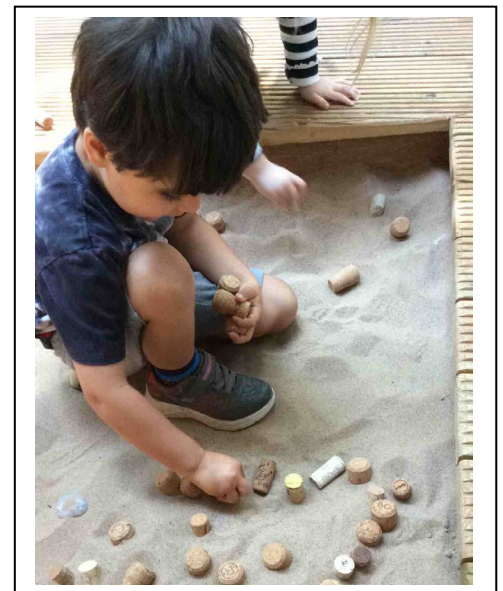

We have been brilliant at sharing our ideas during 'Talk to Teddy Time', listening carefully to each other and taking our turn to speak.

This week the children have been making their own instruments outside, exploring how to make different sounds. They used sticks, sand, leaves and pebbles to fill empty bottles to create their shakers. We used these during the week in our music lessons and during singing time each day.

In the Graden Room this week we have been listening and looking out for birds using binoculars. We have also been learning to take turns and make patterns in the sand with shells, stones, corks and sticks.

Senior School (11-18 years) at Princethorpe College

Junior School (4-11 years) at Crescent School

Junior School and Little Crackers Nursery (2-11 years) at Crackley Hall
