

17th June 2022

What have we been doing this week? Here are some of our favourite Hedgehog moments:

One of our 'Life Skills' trays has glass jars with screw top lids and stoppers of differing diameter. Well matched Valentine.

Climb onto the bench; step over the gap onto the crate platform; jump into the tyre; and whizz back round again for another turn. Charlotte's mid-flight!

It requires patience and dexterity to thread the nuts and bolts in the wooden Meccano set. Victor is totally focused on the task at hand.

Max has already learned lots about pencil control. He is using a secure tripod grip and holding the paper steady with his spare hand whilst he practises vertical strokes.

Two Diary dates

20th June at 9.30am

23rd June at 1.30pm

Focus upon the Characteristics of Effective Learning

Active Learning: demonstrating **resilience** and **enjoying** your **achievements**. Bella is clearly delighted to have mastered today's challenge. To transfer liquids with a turkey baster, is quite an art when aged two, because it involves numerous steps. First squeeze the bulb whilst keeping an eye on the water level. Next release the pressure on the bulb so that it draws water upwards, whilst keeping an eye on the level in the tube. Then resist the temptation to squeeze the bulb whilst you move the baster between containers! Then squeeze to evacuate the water into the receiving vessel. Finally, lift the end of the spout clear of the liquid before you relax your grip, otherwise the tube will refill by vacuum pressure.

Gentle reminder

If you are joining us for either Sports Day and/or Badger Graduation, please could you park on the **Sport's Field car park** opposite school. We are mindful of respecting access for local residents on these busy school community days. Thank you kindly.

Wishing you all a restful weekend from the Nursery Team.
