

8th February 2019

Independence really matters to us at Little Crackers - and with that in mind I just wanted to say how pleased I am to see so many of our youngsters coping well with all their winter layers. Gloves, hats, scarves, coats, hoods, zips, shoes and wellies take time to organise when we go outside. Thank you for your support in encouraging your children - it is much appreciated

x

Joke of the week:

Dates to remember:

Half Term
(Term time children)
Friday 15th February
come back
Monday 25th February

Super shapes...

Next week we will be focussing on shapes in our group time maths activities:

for our Little Crackers this means more than just recognising and naming them, but also: Manipulating 2D shapes and 3D shapes to make pictures or build models

Spotting similar shapes in the environment
Describing characteristics such as straight edges, corners etc.

Arranging shapes to create and recreate repeated patterns...

You could help at home by:

Spotting shapes in everyday life, looking for things that are the same, and spotting differences

Next week we will be:

Writing the letters in our name and the sound of the week: k for:

kangaroo

kettle

king

key

Also... don't forget to buy your loved one a card for St. Valentines Day next Thursday!
