**All year round finish Friday 21<sup>st</sup> December**

**All year round back 3<sup>rd</sup> January**

**Term time back 7<sup>th</sup> January**

**Focus on Expressive Arts and Design:**

"Helping children to be creative is as much about encouraging curiosity and questioning as about learning skills. Building on children's interests can lead to them creating amazing inventions or making marks on paper that represent an experience or something they have seen. Encouraging children to choose and use materials and resources in an open-ended way helps them make choices and have confidence in their own ideas. Expressing an interest or asking open questions such as 'Can you tell me about it - that looks interesting' may be all that is required to help a child develop their remarkable creativity."

Early Years Matters
