February

Next week:

Our big story will be:

'Ten in the Bed'

we will be talking all about subtraction
'taking 1 away', using the words:
less and fewer

Winter blues... infection control!

Weekend challenge!!!!

This week we introduced the idea of addition -
adding 1 more each time...

You could count all sorts of things you see, from lego
blocks to lorries, toys to trees - wherever you are,
count what you see and then try and work out what
would happen if you added 1 more!

Joke of the week:

Why did the cow cross the road?

To get to the udder side!!!!

Polite request...

Please can we ask everyone to make sure you
collect your children on time...

There is a late charge of **£10** per half hour
(or part thereof)

Message board...

Important information for pre-school parents, whose children are
moving into Reception at Crackley Hall School in September...

The PTA have a second hand uniform shop available every Friday
morning before assembly in the dining room, where coffee is also
available!

They make sure that anything sold is in very good condition.
It is certainly worth having a look before the end of the year...
Appointments will be organised during the summer term for new
school uniform fitting. This takes place at Princethorpe College
over the summer holiday and is very well organised!
