

6th October 2017

Next week we will be thinking about the celebration of Diwali

We will share the beautiful story of Rama and Sita

We will start to think about how people celebrate this festival of light

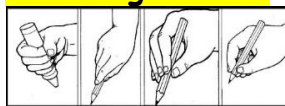

We will be:

Sharing the story of Rama and Sita, in a book and on the whiteboard, we will make Diya lamps to remind us of the story, we will listen to Miss Anupa who will tell us all about the celebrations, we will look at simple repeating patterns in our maths area and talk about shapes, we will have fun outside watching the leaves continue to change, and hunting for minibeasts in our digging area.

Spotlight on...
'writing skills'

Would you believe it... writing skills are being worked on in all areas of nursery - even outside! Using the brooms to sweep, or the rakes to move leaves helps to strengthen our shoulders - the first important pivot... then when we paint at the easels or pour the sand and water inside we begin to strengthen our elbows - a smaller movement but an even more important pivot, then we have lots of opportunities to use mark making equipment to write and draw on paper, strengthening our wrists so that when we write essays later on in 'big' school we won't get tired!

Joke of the week:

What do you get when you drop a pumpkin?

Squash!!!
