Joke of the week!

What's the best day of the week to go to the beach?
Sunday!

Staffing in Nursery...

Miss Emma had a lovely final week with the children in half term, and received many kind comments, cards and gifts. She would like to send her thanks to everyone who contributed in any way to making her feel so special.

Miss Becky has joins our team on a Monday, Wednesday and Thursday and is spending time getting to know everyone this week as she settles in.

Please cover your child with an 'all-day' sunscreen before coming in – and let us have a named cream if you want us to 'top them up', also if you could send in a hat, that can stay in nursery, that would be lovely!

Thank you xx

Spotlight on...

From 1st September 2021, all early years settings within England will have to start using the revised EYFS framework. This new framework is intended to:

- Set the standards that all early years providers must meet to ensure that children learn and develop well
- Ensure children are kept healthy and safe
- Ensure that children have the knowledge and skills they need to start school

This is unlikely to make big changes to our current provision at Little Crackers, however we are all undertaking extra training so that we are ready and raring to go in September!
