

23rd April 2021

Joke of the week...

**What does the ocean
do when it sees its
friends?**

It waves!

Little Crackers Nursery wished her Majesty the Queen a very happy birthday this week...

What was Earth Day 2021 all about?

Earth Day was founded in 1970 to help people consider their actions and how they affect the Earth and our world.

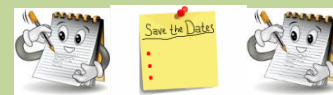

Earth Day is especially important for our children. What happens to the Earth today determines what type of world they will have when they grow up. Conservation is very important. Children can help by turning off the lights when they leave a room, remembering to turn the taps off too, and encouraging their families to 'reduce, reuse and recycle'.

One BIG thing everyone is talking about is planting trees!

Trees help us feel relaxed and healthy. They can even help us concentrate at school! They provide food and shelter to animals and provide a visible sign of seasonal change. Go on, give it a try!

The 'Garden Room' gallery...

Dates to put in your diary...

Sports Day: Monday 21st June 2021 9:30am

Pre-School Graduation: Tuesday 29th June 1:45pm

Little Crackers Timings...

Long day: 7:45-6pm Short day: 7:45-4pm

Morning: 7:45-12:45pm Afternoon 12:45-6pm

Grant sessions: 8:15-11:15 or 12:30-3:30
