

26th March 2021

Joke of the week... 🤡

What kind of stories does the Easter Bunny like best?

Ones with 'hoppy' endings!

When we come back...

Pre-school children will begin gently preparing for school in September, in phonics we will look at segmenting and blending simple cvc words (clapping the sounds really helps: c a t = cat!) In maths we will look at who is secure in counting sets of objects,

Our 3yr olds will also be thinking about their phonics skills, but shhhh... we won't tell them!

They will be listening to sounds in the environment, matching and making sounds with their voices and bodies, playing instruments and going on sound walks in our outdoor learning environment...

Oh no... we're all at home again! Here are some ideas of things you could do at home this Easter...

- Plant some seeds
- Go on a Nature Walk
- Enjoy an outdoor egg hunt
- Create a Spring Sensory Bin
- Explore Spring flowers in ice
- Make a Spring Sensory Bag
- Make some Easter cards
- Bake some cakes
- Make some bird feeders
- Go for a picnic in the park
- Make Spring Playdough
- Plan and make a fairy garden
- Jump in puddles
- Blow bubbles in the garden
- Decorate eggs
- Look at the life cycle of a butterfly
- Take photos in the rain

Term time children:

Easter holidays start

Wednesday 31st March 2021

Back in on 19th April 2021

All year round children:

Easter starts on

Good Friday 2nd April 2021

Back in on Tuesday 6th April 2021

Dates to put in your diary...

Sports Day: Monday 21st June 2021 9:30am
