-  frog eggs  worms
-  birds singing  turtles
-  tree buds  woodpeckers drumming
-  insects  puddles

Joke of the week...

To all our families...
For all your help and support over the last few weeks, for understanding and following the new guidelines and routines, and for supporting your children – who are showing remarkable resilience, happiness and capacity for learning. You're doing a great job in difficult times, be proud!

Next week...

Our letter sound is k
(it needed a week all by itself!!)

These are the sounds we are familiar with...

m	a	s	d	t
				
i	n	p	g	o
				

maths: Comparison:
comparing numbers involves knowing which numbers are worth more or less than each other...
