Graduation- Does anybody have a dinosaur costume we could borrow for our graduation ceremony, many thanks!

Sports day- Thursday 15 June at 9:30 on the Astro turf.

Marvellous mark making this week!

We used our hands, arms and shoulders to help us to make large and small marks, in playdough and on paper. Shoulder stability and control are important as they enable our children to place and hold their arms and hands in good positions for writing; using the easels as well as the table top, or even the floor keeps those shoulder muscles working hard to make sure we are 'ready for writing'.

Dormice are enjoying their new topic 'Seaside' and listening to the story of *Lucy and Tom by the Seaside*

Dormice have been doing lots of mark making on their seaside pictures

Henry closely observes the roots and shoots that have sprouted from our broad bean seeds.

Hedgehogs practice cutting skills as they prepare a fresh salad with vegetables which they have harvested from our garden.
