

Weekly News

17 March 2023

Here are some of the things we have been doing this week...

Bubble, drip, splash, whoosh, pitter pat, sploosh!
Water makes lots of different sounds; some quiet, some loud and this week we explored the sounds we could make and hear in our water tray.

We used our hands, fingers, straws and jugs... and thoroughly enjoyed exploring sounds in a different way.

Snow, wind, rain or hail... whatever the weather it won't stop our play!

St Joseph's Park

Next week in Badgers...

Our theme will be Minibeasts.

Phonics: listening to the **initial sounds** in words e.g. b butterfly, bug, beetle beginning to **blend sounds** to make a word as we find the spider! e.g. b e d, l o g, b o x

Maths: **pattern** – following a repeating pattern e.g. red bug, blue bug, red bug, blue, bug

Finding maths as we play...

The Hedgehogs have been spotting the hidden opportunities to develop their maths skills whilst they play this week, from sorting and counting the bears, rods, stones and cubes to making and decorating six lovely playdough eggs.

Great counting everyone!

The Dormice children have made a golden teapot for someone 'golden' in their life!

Senior School (11-18 years) at Princethorpe College

Junior School (4-11 years) at Crescent School

Junior School and Little Crackers Nursery (2-11 years) at Crackley Hall
