The Dormice children have been using their senses to splash about in lemon scented bubbles. The children enjoyed filling and pouring all our silver saucepans.

**Reminder-** The whole school photo will be taking place for those who attend on **Monday 22 May**

Hedgehogs took turns to find the matching pairs, using pictures of some of the vegetables which we have planted in the raised bed. Bella, Mo and Tobie clap appreciatively when Lyla remembers where the carrots are hiding. What a supportive group!

Exploring the sights, sounds, textures and scents in our outdoor area. Mixing and making in the mud kitchen seems to be a popular activity this week and the children have combined leaves, herbs, wood chips, soil, and stones to create fabulous and 'tasty' salads.

Beetroot is one of the vegetables which we are growing and 14 little Hedgehogs made beetroot crisps today. We baked several trayfuls then sat down to share and everyone had second helpings - yum!
