

19th November 2018

Goodness me - the weather seems to be changing at last!

We love getting outside as much as possible though, so please take that into account when coming into nursery - easy layers are great as it's warm inside, spare socks for wet days are useful too! Hats and gloves are really important (with names on please!) and make sure you have a pair of wellies with us for fun in the puddles on wet days! Thank you x

Joke of the week...

How do oceans say hello to each other?
They just wave!!!

Don't forget...

The big room in nursery (3's and 4's) will be closed for the morning on 7th December because of our trip to see 'Wilde Creatures' at the Warwick Arts Centre

Please, please, please...

can we have Nativity costumes in Nursery!

Thank you xx

Nursery information:

As you all know Miss Katie will be leaving us very soon to have her baby. She is planning to stay with us until the end of November - and then for as long as possible after that, but we will see what happens!!!

Our staffing will obviously have to change: Miss Jane will move from the 2's room and come into the big room with the 3's to provide continuity for those children who are also moving through Miss Mary (from 'Stay and Play') will come in to the little room to be with the 2yr olds.
