Little Crackers 'Wellerman' Graduation song

Many of you will have heard your children preparing for our graduation ceremony... here is the story behind the fun...

On a Friday we have music with Mrs Olden and she introduced us to the Wellerman Sea Shanty:

The children loved it and it sparked some fantastic musical adventures, with brooms and bin lids!

It was such a success that we decided to write our own version to sing with the children, ready for their graduation ceremony.

The initial plan was for them to join in with the chorus, and we would encourage you all to join us in delivering the verses, but as you are all aware by now (our sincerest apologies!) it has been such a success that the children need no help from us at all, and have loved learning and singing it for you.

And... a great big Clap goes to our youngest children, who didn't even have to learn it – but still know many of the words!!!
