The Dormice love singing nursery rhymes and pretending to be frogs, bunnies and monkeys!

Our lucky wizard wishes the Sky Blues the best of luck on Saturday!

This week we looked at different ways of making patterns – the children manipulated the numicon shapes in various ways to explore the number properties... We spotted how the shapes changed when the shape had 1 less, or 1 more – then used this information to predict which shape should come next – ordering them from 10-1. Excellent conversation and mathematical reasoning going on – as well as making lovely tractor and house pictures too!

The outside area is bathed in late May sunshine. Lyla decides that a tyre would make a cosy spot for a little Hedgehog to sit inside and draw.

Hedgehog Daphne chose her favourite vegetables from photos of those which we have planted in our vegetable patch.

She cut out lettuce and beetroot, then chose to glue beetroot onto our group chart.

This week we pulled up, washed, and tasted slices of radish after enjoying the traditional tale of the 'Enormous Radish'.

**Reminders-** Could you please apply suncream **before** your child comes into nursery, we will then reapply as needed later in the day. Please also provide a named sunhat.

**Half term; 29 May - 2 June**

**We hope you all have a lovely half term**
