

26th February 2021

Jokes of the week...

Next week we will be celebrating our love of books on **Thursday** – please feel free to dress up your child if they would like – but, please don't go to any trouble, and if they would rather not dress up, then that is also ok!
If they do come in costume, could they also have some normal nursery clothes to change into for when we go outside... thank you!!
We will talk about favourite books – but with the current situation, unlike previous years, we would prefer it is you didn't send books in – thank you x
