

House Art Competition, Crackley Hall School
Summer Term

'Spring has Sprung!'

This term, from Nursery to Junior 6, Ms Holmes would like you to think about all things 'spring-like'.

The Brief:

Get your creative flair going and look around you. The gardens are beginning to bloom again, lambs are leaping, insects stirring and, the days are getting longer.

Ms Holmes would like you to create a wonderful springtime image (no larger than A3). Work can be 2D or 3D and must be colourful and bright to reflect this wonderful time of year.

You should stretch yourselves and maybe try a medium you haven't used before....collage, oil, acrylic, pencil crayon, wax relief, pastel, chalk, sculpture, weaving, stitching....the list is endless.

Work should be handed in to Ms Holmes in the art room by Thursday, 16th May.
Good luck everyone!
