Let's Listen

In the Parable of the farmer who owned the Vineyard, God has given us the earth and all that is in it. God also sent His son Jesus to show us how to live. God trusts us to take care of what we have been given, just as the farmer trusted the farm workers, who chose not to listen and so the farmer took the vineyard away from them.

Dear Lord, open our ears to hear your message and help us to understand it and to share the message of your love with others this week and always. Amen.
