Second Sunday of Lent

Jesus Shines like the Sun

If the sun shines in our eyes, we are dazzled by the brightness and strength of its light. The light shining from Jesus on the steep mountain with Peter, James and John was as bright as the sun. These rays of light were shafts of God's glory and a glimpse of His power and might.

Dear Jesus, fill us with the light of your love and faith. Help us to shine in the darkness and touch the lives of others with the light of your goodness. Amen.
